## Members Retirement Program Variable Annuity

### Portfolio Expenses (as reported in each portfolio's prospectus dated May 1, 2018) as supplemented\*

Disclosure: Portfolio shares of EQ Advisors Trust and AXA Premier VIP Trust ("the Trusts") are currently sold only to insurance company separate accounts in connection with variable life insurance contracts and variable annuity certificates and contracts (the contracts") issued by AXA Equitable Life Insurance Company ("AXA Equitable"), AXA Life and Annuity Company, other affiliated or unaffiliated insurance companies and to The AXA Equitable 401(k) Plan ("AXA Equitable Plan"). Shares also may be sold to tax-qualified retirement plans and to other series of the Trusts. This means that investors may not buy shares of the Portfolios directly, but only through a contract offered by a participating insurance company.

Note: The CUSIPs are provided for research purposes only.

\* These expenses are based on each portfolio's prospectus dated May 1, 2018, or for certain portfolios, the most recent prospectus supplement to the May 1, 2018 prospectus.

A variable annuity is a long-term, tax-deferred accumulation product. In its most basic terms, an annuity is a contract between you and an insurance company to accumulate funds and then to provide lifetime payments. A variable annuity allows you to adopt a personal investment strategy to allocate your investment among a range of investment portfolio options. An annuity contract has two phases: An accumulation phase, which allows tax-deferred growth potential, and an annuitization phase, when you withdraw your money plus any earnings your annuity has accumulated.

There are fees and charges associated with variable annuities, which include, but are not limited to, mortality and expense risk charges, sales and surrender charges, administrative fees, and additional charges for optional benefits. Amounts in the annuity's variable investment options are subject to fluctuation in value and market risk, including loss of principal. Certain types of contracts, features and benefits may not be available in all jurisdictions. Withdrawals will be subject to ordinary income tax and, if made prior to age 59 1/2, may be subject to an additional 10% federal income tax penalty.

Please consider the charges, risks, expenses, and investment objectives carefully before purchasing a variable annuity or making an investment portfolio decision. For a prospectus containing this and other information, please contact a financial professional.  
Read it carefully before you invest or send money.

Variable annuities: Are Not a Deposit of Any Bank \* Are Not FDIC Insured \* Are Not Insured by Any Federal Government Agency \* Are Not Guaranteed by Any Bank or Savings Association \* May Go Down in Value
